

Make a Travel Brochure for your favorite place in “The Phantom Tollbooth”

Directions: Make a travel brochure for any place in the Lands Beyond.

Be sure to include the following:

- ~ the name of the place
- ~ places to see
- ~ things to do
- ~ how to get there
- ~ what to bring
- ~ how to get around
- ~ what to avoid
- ~ language to use

In addition to the information, you should include an attractive cover, several pictures, and contact information.

You can make your brochure on paper or using a template on Pages.

We will share our work at the end of class!

Examples from REAL LIFE (You should pick a place in the Phantom Tollbooth)

PARIS

Paris is the capital and largest city of France. Straddling the Seine River in the country's north, it is a major global cultural and political center in addition to being the world's most visited city. Nicknamed "The City of Light" since the 19th Century, Paris also has a reputation as a "romantic" city and the "heart of Europe". The most recognizable symbol of Paris is the 1,063 ft. Eiffel Tower located on the banks of the Seine.

Paris Recreation

- Shop on the Champs-Élysées
- Meet The Mona Lisa at the Louvre
- Tour Notre Dame Cathedral
- View the city from The Eiffel Tower
- Visit Disneyland Paris

Toronto ONTARIO

The City of Toronto cordially welcomes all its visitors. Toronto is proud of its history, diverse racial culture, architectural ingenuity, and bright future. There is something exciting for everyone in Toronto.

Meet the Pros of Hogtown

The Maple Leafs were one of the original NHL teams formed in 1927. The Leafs claim Toronto's biggest sports fan base and pack the Air Canada Centre every game. It just isn't Canada without hockey. www.mapleleafs.nhl.com

The Blue Jays brought America's favorite pastime to Toronto in 1977. The Jays play under the retractable domed roof of the Rogers Centre at the foot of the CN tower. www.bluejays.mlb.com

The Raptors brought the thrill of the NBA back to Toronto in 1995 when the Hawks franchise left in 1987. www.nba.com/raptors

The Air Canada Centre has been the home of the Maple Leafs and Raptors since 1999.

ARIZONA HOPPOUTS

Experience the Magestic Grand Canyon!

Arizona offers excellent adventure and outdoor recreation opportunities. With about 150 state parks, 1500 miles of scenic and historic trails, and a variety of outdoor activities including hiking, fishing, and water sports, there's something for everyone. The Grand Canyon is a must-see attraction, offering breathtaking views and a unique geological history.

Commune with nature in Phoenix!

Despite its reputation as a large and arid region, Phoenix offers a surprising amount of green space and natural beauty. The Scottsdale Golf Club is a beautiful example of the state's scenic beauty, offering a peaceful retreat from the city. The city is also home to several botanical gardens and parks, providing a perfect spot for a picnic or a walk in the park.

Play Outside in Sunny Lake Havasu!

When you visit Lake Havasu, the perfect way to enjoy your stay is on the water. There are many water sports and activities available, including water skiing, jet skiing, and fishing. The lake is also a great spot for a picnic or a walk on the beach.

Come See the Stars in Tucson!

From the stargazing for novices and pros at the Stargazing Center to the world's largest telescope, the Kitt Peak National Observatory, Tucson is a great place to see the stars. The observatory is open to the public, and offers a variety of stargazing programs and activities.
