Daily Homework

- Homework assignments are always written on the whiteboard in my classroom, posted on my website, and explained in class.
- Daily homework should be completed before coming to class the day that it is due.
- Expect 20 minutes of homework each school night (Monday-Thursday)
- Here is how to get 100% on your daily homework assignments:
 1. Always write in complete sentences.
 2. Always complete homework before coming to class.
 3. Follow directions carefully and answer all parts of a question.
 4. Use proper grammar.

Late Work

- Daily homework that is turned in late will be docked -50%.
- **I will only accept late work for the Collection (Unit) that we are studying. Once we finish a Collection and move on to the next one, I will NOT accept any late work from the previous Collection.**
- You need to email me all late assignments to let me know that you completed the work so that I can update your grade. My email is rfrederickson@sra.mn
- *Note: Larger assignments like essays are docked -10% for each day they are late. This will be explained on the rubric for each larger assignment.*

Absent Work

- If you are absent, please check my website to complete the classwork and the homework for that day.
- When you complete the work, please email the completed assignments to me and explain in the email that you were absent.
- You are given one day for each day you were absent to make up the work for full credit.
- If you are absent the day of a quiz or test, you are responsible for making up the quiz during lunch or after school as soon as possible.
